Dear stakeholder,

**Statutory consultation on plans for Wrexham Energy Centre**

I am writing to you on behalf of Wrexham Power Limited, as we are launching our statutory consultation on plans for the Wrexham Energy Centre. Our proposals will deliver a new combined cycle gas turbine (CCGT) power station with a generating capacity of up to 299 MWe, located at the Wrexham Industrial Estate. The project will include an integral gas connection.

During the statutory consultation period we are asking for feedback on detailed designs for the Wrexham Energy Centre, which will:

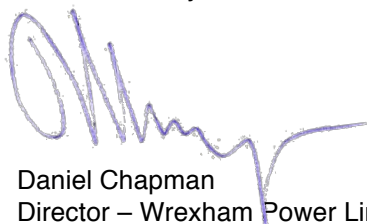

- Provide 30 highly skilled permanent local jobs
- Create up to 800 construction jobs over three years
- Provide an opportunity to improve the power supply to the Wrexham Industrial Estate
- Reduce the area's reliance on imported energy as well as improving its energy security.

This Statutory Consultation runs from 14 July to 24 August 2014, is in line with Section 47 of the Planning Act 2008 and follows the earlier stage of non-statutory consultation, which took place in summer/autumn 2012. We are hosting exhibition events at which you can meet the project team and provide feedback between 3pm and 8pm on:

- Monday 21 July 2014 - Isycoed Village Hall, Isycoed, Bowling Bank, LL13 9RN
- Tuesday 22 July 2014 - Marchwiel Village Hall, Piercy Avenue, Marchwiel, LL13 0RH
- Wednesday 23 July 2014 - The Atrium Suite, Redwither Tower, Redwither Business Park, LL13 9XT

Further information on the proposals and how you can provide your feedback is provided in the enclosed information booklet. You can also visit our website – [www.Wrexham-Power.com](http://www.Wrexham-Power.com) – for detailed project information or get in touch by emailing [Info@Wrexham-Power.com](mailto:Info@Wrexham-Power.com), calling 0800 319 6185 or writing to Wrexham Power Limited, Local Dialogue, Freepost NAT377, London, SE1 2BR.

Yours Faithfully
